

Warranty declaration

Dear Customer

Congratulations on purchasing your CARSON product, which has been manufactured in accordance with the latest state of technology.

Since we always endeavour to further develop and improve our products, the right is reserved to make technical changes and with regard to the equipment, materials and design of the product at any time and without notice.

No claims can therefore be derived from minor deviations of

your product from the information and illustrations in these instructions.

The operating instructions are an integral part of the product. Failure to observe the operating instructions and the safety instructions that they contain will invalidate the warranty.

Keep these instructions for reference purposes and the eventuality of the product being passed on to third parties.

Warranty conditions

Valid only if presented with the purchase receipt!

CARSON gives a 24 month warranty for this product for production faults with regard to materials and manufacturing under normal usage conditions as of the date of purchase from the authorised specialist dealer. In the event of a defect during the warranty period, please take the product to your specialist dealer together with proof of purchase.

Unless otherwise stipulated by law, CARSON will decide whether:

- (a) to remedy the defect free of charge with regard to materials and labour by making a repair;
- (b) to replace the product with an equivalent or similar product.

All replaced parts and products shall become the property of CARSON. New or refurbished parts may be used as part of the warranty work.

A warranty for the remaining term of the original warranty shall apply to repaired or replaced parts. Repairs that are made and/or replacement parts that are supplied after the expiry of the warranty period shall be billed for.

The warranty does not include the following:

- Damage or failure caused by failure to follow the safety instructions or the operating instructions, Acts of God, accidents, non-permissible or exceptional loading, erroneous handling, unauthorised modifications, lightning strikes or other effects caused by high voltage or current.
- Damage caused by loss of control over the product.
- Repairs that are not carried out by an authorised CARSON service
- Wearing parts and batteries
- Cosmetic damage
- Transport, delivery or insurance costs
- Cost of disposal of the product, setting up and any adjustment and restoration work carried out by Service.
- Any modifications to connectors and cables, opening the casing and damage to the stickers.
